WOMAN WITNESS SOLD TO BOTH SIDES

In Clayhole Election Precinct,
Says Musick, In Opening
Statement For Defense

(By Associated Press)
Catlettsburg, Ky., June 14—Opening statements were made to jury in the Clayhole election cases today where Shale Leslie and French Combs and George Allen Jr., are charged with killing George McIntosh. The cases were transferred here from Breathitt county. Ryland Musick in his statement to the jury said:

"This indictment is the biggest joke ever pulled off in this state. The men on trial are democrats, while the other defendants are republicans."

Musick indicated there was no need for democrats to upset the election in the Clayhole precinct because the precinct was never known to go republican. He asserted there was a conspiracy to "tear up the election," and that 14 armed men sprang from ambush "like devils" on a peaceful community. He pointed to an aged woman witness for the prosecution and asserted she "sold her vote for \$7 first to the republicans and then for \$10 to the democrats."

A. Floyd Byrd, for the prosecution said the conspiracy to block election began when Cleveland Combs, one of those killed, asked for and was given ballots for the court clerk to be cast at the election.

Catlettsburg, Ky., June 14—Announcement was made by the commonwealth in the Boyd circuit court that the four defendants identified as the democratic division in the Clayhole election case would be the first to go on trial. Shortly before noon the Boyd county grand jury returned a joint indictment against these defendants, charging conspiracy to prevent an election and murder in furtherance of the conspiracy.

The defense filed a demurrer to the conspiracy indictment, which was overruled by the court.

Those who first will go on trial—Leslie Combs, Shale Combs, French Combs, and George Allen Jr.—are charged with the slaying of George McIntosh.

The afternoon session of the court was taken up with the selection of a jury, eight being selected when court adjourned.

Hearing of testimony was expected to begin Wednesday morning. More than 100 witnesses have been summoned.

The interval between the time when court adjourned Monday morning until sessions were resumed today was occupied by John F. Coldiron, commonwealth attorney, in interviewing witnesses.

Selection of the first defendants to stand trial was considered by those interested in the case to have an important bearing on the outcome of the hearings and announcement of the commonwealth's decision on this point was one of the important developments of the day.

During the night and early morning the defendants had gone over their cases in minute detail with Commonwealth's Attorney Coldiron, and had, under the arrangement, expected, as announced by defense attorneys, to appear as commonwealth's witnesses against Wm. Campbell and others for the killing of Ethan Allen, the first of the cases on the docket. John H. Waugh, counsel for defense, responding to the announcement of Attorney Coldiron, said that he and his associates and clients had been taken by great surprise; that his clients had "in good faith fully divulged themselves to Mr. Coldiron, but that he had seen fit to alter his previous position over night."

BOGGS TALKS TO 11TH DIST. BANKERS

Barbourville, Ky., June 14—Bankers of Group Eleven, Kentucky Bankers' Association, were urged today to encourage the raising of sheep and goats in the mountains of Eastern Kentucky by James Speed, editor of the Southern Agriculturist.

More than 100 bankers and their wives were entertained at Dishman Springs, near here. Mr. Speed pointed out the value of pure bred stock and said that sheep and goat raising could be made as important an industry as mining in Eastern Kentucky with the proper support from the bankers.

Joe S. Boggs, State Highway Engineer, urged the passage of a road bond issue for building good roads. Other speakers were Judge J. D. Tuggle of Barbourville, C. D. Minor, president and former Governor James D. Black, of Barbourville.

Officers elected at today's meeting were: John A. Black, Barbourville, president; S. A. Phillips, Corbin, secretary, and Ed Samuels, Pineville, Zeb Ward, Williamsburg, and R. C. Eversole, London, members of the Executive Committee.

STATE BOARD TURNS FOUR MURDERERS OUT

(By Associated Press)

Frankfort—The State Board of Charities and Corrections paroled 12 men in the two state prisons today. Among them were four sentenced for life imprisonment for murder. They included Alexander Martin, white of Floyd county; Will Calloway, a negro of Jefferson; William Jones, white of Leslie; Frank Ivory, negro of Lee county.

Payne Pleases With Address At Nicholasville

The Nicholasville News had this of interest here: Prof. John Howard Payne, of Richmond, delivered the commencement address to the graduates. The subject of his admirable address was Americanism. He demonstrated the fact that he is a scholar and an orator of unusual ability. The large audience of 1,000 people gave him perfect attention throughout his eloquent discourse. Regardless of the sweltering heat in the auditorium, his auditors seemed thoroughly to enjoy every sentence that was spoken. His speech was frequently punctuated with applause. The people said that it was the best commencement address ever delivered in the high school auditorium.

Splendid exhibition of student work can be seen at Domestic Art exhibit at Roark Hall Thursday from 1:30 to 4:30 P. M. The public is invited.

Here's What They Do With Taxpayers' Money

Washington, June 14—President Harding today asked Congress for an additional \$5,000 for rugs and furniture for the office to be occupied by the War Frauds Section being organized by Attorney General Daugherty.

The Department of Justice appropriation bill carries an item of \$6,000 for this purpose. In his letter to the House, dealing with the \$5,000 additional appropriation, the President says, "this item is necessary for the bureau for the investigation and prosecution of war frauds."

BOY SCOUT SAVES MRS. PETRIE'S LIFE

Mrs. D. F. Petrie, of Barbourville, came near drowning in Dix river at King's Mill Monday and probably owes her life to a little Boy Scout Virgil Sanders, son of Dr. F. C. Sanders, of Danville, says the Danville Messenger. Mrs. Petrie, with a number of others who were in bathing, was riding a board down the swift current just below the dam. The board suddenly capsized, throwing Mrs. Petrie under the water. Despite the fact that she is a good swimmer, the swift current caused her to become frightened and she went down twice before anyone realized she was in danger. She called for help and the little Sanders boy rushed to her and carried her to the shore. Mrs. Petrie was completely exhausted after being taken from the water and it was several minutes before she could speak.

Miss Gladys Smith Graduates

Delaware, Ohio, June 14—Miss Gladys Smith, 347 High street, Richmond, daughter of Prof. G. D. Smith received her bachelor of arts degree at the 28th annual commencement exercises of Ohio Wesleyan University held here Wednesday morning. Dean Charles R. Brown of the Yale School of Religion delivered the commencement address.

The graduating class from the college of Liberal Arts numbered 233. A total of 19 states was represented by graduates while seven members of the class came from foreign countries.

STATE CROP CONDITION IS ABOVE AVERAGE

Frankfort, Ky., June 14—General crop conditions in Kentucky are shown to be 11.6 per cent above the 10-year average in the June crop report for this state issued by the United States Bureau of Markets and Crop Estimates in co-operation with State Commissioner of Agriculture W. C. Hanna. The condition of crops in Kentucky June 1 indicated the production of approximately 6,550,000 bushels of oats, 176,000 bushels of barley, 239,000 bushels of rye, 1,222,000 tons of hay, 3,943,000 bushels of apples and 1,102,000 bushels of peaches. Compared with 1921 this would be an increase of 2,304,000 bushels of wheat, 983,000 bushels of oats, 32,000 bushels of barley, 59,000 bushels of rye, 95,000 tons of hay, 3,307,000 bushels of apples and 1,022,000 bushels of peaches. Actual returns may turn out less or more than these estimates, depending on whether conditions are particularly favorable or unfavorable between now and the time these crops are harvested or gathered. Reports on acreage and condition of tobacco and corn will be issued July 12.

NEW REORT PLANNED ON KENTUCKY RIVER

A trade took place at High Bridge a few days ago that will be of much interest to Harrodsburg folks. Mr. Creed Terhune, of Danville formerly of this place, bought of Mr. George Prewitt 50 acres of land on Kentucky river, at the mouth of Dix river, for \$3,000. This land lies about a quarter of a mile above Camp Cedar Creek bungalow, owned by several young men of this city, and takes in the big spring known as "Dripping Spring." Mr. Terhune also bought of Mrs. Chidester the lot known as the old mill office property for \$750.

It is said the purpose of the purchase is to establish a bathing beach, work on which will begin shortly, and later on to erect a summer resort. It is also reported that others are in on the deal with Mr. Terhune and the purpose is to establish a high-class vacation spot that will have many attractions. There is a natural beach that will need but a little improving to make it an excellent place. At present automobiles can not be driven all the way to the spot, but the new owners propose to make a road, it is understood, for the balance of the short distance. If all plans are carried out, it will prove a popular place. Harrodsburg Herald.

GRAND LODGE PYTHIANS HONOR D. W. KENNEDY

Prominent Richmond Man Is
Elected Grand Outer Guard
of Great Order

Willis Kennedy, of Richmond, was highly honored by Knights of Pythias Grand Lodge in session at Louisville Wednesday when he was elected Grand Outer Guard. This puts him in line for future promotions to Grand Chancellor.

Mr. Kennedy, W. L. Howe and other Pythians from Normal City Lodge have been attending the Grand Lodge sessions. Mr. Kennedy was nominated for the honor to which he was elected by J. M. Morris, and the nomination was seconded by W. L. Howe.

The sessions of the Grand Lodge are being held at the Hotel Henry Watterson. River trips and other forms of entertainment are being shown the hundreds of visiting Pythians by their Louisville hosts and all are having a delightful time.

His friends at home here are highly appreciative of the honor conferred upon Mr. Kennedy. All are certain that he will fill the post with much credit and satisfaction.

LIGHTED MATCH NEAR GAS TANK

Arthur Davis, colored, was severely burned about the face, a small portion of his body shortly after noon Wednesday when he lighted a match close to the gasoline tank of a car at a local garage. A spark got into the fuel and in a minute both Davis and the car were ablaze. Several rushed to the rescue and the blaze was extinguished before much serious damage was done. Davis' clothes were almost burned off him but the fire had luckily been put out before much damage was done to his body. The car was also saved, with but little loss. The fire department was called for but the flames were under control before the laddies had to do much work.

LONDON YOUNG MAN DROWNS IN RIVER

The first fatality on the Kentucky river occurred near Boonesboro Tuesday afternoon when William K. Scovell, a prominent young man of London, Laurel county, was drowned.

Scovell came to Boonesboro about 2 o'clock Tuesday afternoon and soon went to the river and took a swim. It is thought that he took cramps and sank instantly for it is understood that there were no witnesses and efforts to recover the body have so far proven futile.

The victim is said to have been about 21 years of age and a member of one of Laurel county's most prominent families. He is said to have been interested in an ice cream factory at London.

News from Boonesboro late Wednesday was that young Scovell must have gone in the river about midnight Tuesday instead of Tuesday afternoon. Several local men said they saw him on the streets here about 8 o'clock Tuesday night. It was said that he had been a member of the Sue Bennett Memorial athletic teams and was well known among college circles here.

The advice from Boonesboro said that he came there in a taxicab about midnight and went into the river with Si Minter. It was hot and both decided to take a swim to cool off. Soon after Scovell went in he disappeared and was not seen any more. The hue and cry was raised but he was gone. The river was dynamited late Wednesday afternoon in the hopes of raising his body but no success was had. Later in the day a government dredging crew from Louisville was sought in an effort to find the lad's body.

COLORADO JUDGE SPEAKS THURSDAY

Judge William Harrison, said to be one of the ablest colored lawyers of Chicago, and formerly on the bench in Oklahoma, will speak at the courthouse here Thursday night under auspices of the First Baptist church, colored. He comes to Richmond, very highly recommended, and it is expected that a big crowd will hear him. The Paris correspondent of the Lexington Herald said this of his address there to the graduates of the colored high school:

Judge Harrison, who took for his subject, "The Nations of the Earth on Trial," delivered one of the most masterful orations ever delivered in this city. He emphasized strongly that the chief purpose of education should always be "Service" and that the only nation whose government could ever be enduring was the nation which would put into practice as its predominant doctrine the form of democracy taught by the humble Nazarene. He stated that the members of the negro race ought to be entirely satisfied with three things: The endowments given them by Almighty God; the rights bestowed upon them by the constitution of the United States and the rainbow of promise before them at all times.

No admission will be charged to the address but a free will offering will be taken for the benefit of the church.

LIQUOR SOLD ON AMERICAN SHIPS

Busch Draws Ire of Shipping
Board Head, Who Says It's
Necessary In Competition

(By Associated Press)

St. Louis, June 14—A letter charging the United States is "incomparably the biggest boot-legger in the world," written by Augustus Busch, president of the Anheuser-Busch, incorporated, while en route to Europe on the Shipping Board steamship Geo. Washington, was made public here today. Busch said he found liquor served on the ship and was "amazed to learn the Shipping Board vessels are the wettest on the ocean."

Washington, June 14—In reply to the Busch letter, Chairman Lasker, of the Shipping Board, today wrote that the Busch letter was written entirely for effect on the public. He said liquor is served on Shipping Board vessels as on foreign vessels with which the American ships compete and that privilege must be the determining factor in the life or death of the American merchant marine, but he continues he believes Busch is thoroughly selfish and that Busch is acting in the hope of creating a revolt against prohibition. He asserted Adolphus Busch is the Kaiser's closest friend in America and that "your action in any event will not displease your German friends whose greatest hope of a restored German marine is in hurt to America's new-born merchant marine."

BOYLE COUNTY BANK IN HANDS OF STATE

Frankfort, Ky., June 14—Impairment of capital stock and deficient reserves caused the directors of the First State Bank, of Junction City, to voluntarily turn the affairs of the bank over to the State Banking Department for liquidation, according to an announcement made today by W. W. Peavyhouse, assistant state banking commissioner. The bank is capitalized at \$15,000, has deposits amounting to \$56,000 and loans aggregating \$96,000. Mr. Peavyhouse believes that the depositors will be paid in full.

How the Editor "Got in Bad"

Surely there is no one that has more trouble than the editor. Read the following from an exchange:

An Oklahoma editor just about to go to press "pied" a couple of articles, one concerning a public sale, and the other a writeup of a wedding. He asked the office devil to get the two articles together—and he did—but here is how he put the two together, and the mixture was not known to the editor until an angry preacher and the mother of the bride appeared on the scene.

"William Smith and Miss Lucy Anderson were disposed of at public auction at my barn, one mile east of a beautiful cluster of roses on her breast and two white calves before a background of farm implements too numerous to mention in the presence of

about seventy guests, including two milch cows, six mules and one bob sled. Rev. Jackson tied the nuptial knot with 2,000 feet of hay rope and the bridal couple left on one John Deere gang plow for an extended trip with terms to suit purchaser. They will be at home to their friends with one good baby buggy and a few kitchen utensils after ten months from date of sale, with responsible parties and some fifty chickens."

A Russian writer says that all Russia wants "to be left alone"—to an unbiased bystander it seems that all Russia wants is to get a loan.

We are afraid the matter will drop entirely out of the newspapers before we find out whether Tachica Arica is the name of a new soft drink or a Balkan general.

That English scientist who says he can converse with chickens is not in a class by himself. Lots of people say fowl language.

Reed Williams There

A number of prominent republican politicians are in Catlettsburg for the trials, and J. C. Hurst, known as "the richest man in Breathitt county," and first cousin to Judge Sam Hurst, was among those who arrived. Others are Eli Kash, railroad commissioner; W. S. Kash, defeated by Mott McDaniels for the office of Commonwealth's Attorney at the election in which the Clayhole ballot box was destroyed; Mitchell Crane, defeated candidate for State Senator; his half brother, Reed Williams, of Richmond, and Flint Miller, republican, United States deputy marshal working under United States Marshal Roy Williams.

Mr. Williams is a half brother to Mitchell Crane. Clay Watts, democrat, defeated candidate for county judge, is also in Catlettsburg for the trials.

Rumors that huge sums of money were spent in the election at Clayhole were denied by both parties here. According to Mitchell Crane, about \$7,000 was spent in his race while the republicans are alleged to have spent in the neighborhood of \$8,000. The democrats state that not more than \$4,000 was spent by them. The chief interest was centered in the Crane-Whitaker race for the Senate.

BLUE GRASS SEED GROWERS MAY POOL

(Lexington Leader)

A movement was launched here Monday by members of the Farmers' Union to have Fayette county join with other bluegrass counties in the proposed pool of bluegrass seed now in process of formation, and a committee to organize Fayette county at once was appointed by President Chas. Land.

This committee, which is composed of W. Rodes Estill, Robert E. Beatty, Horace W. Davis, Emmett Coons and Buford E. Allen, was instructed to meet and organize this afternoon and begin pledging the crop, so as to be able to send representatives to the general meeting of the bluegrass counties which is to be held in Winchester later in the week. The purpose of the pool, President Land stated, is to "get a fair and equitable price for blue grass seed and to co-operate with the other bluegrass counties that are in the movement for the formation of a pool to control this crop."

Those behind the move here hope to have Fayette county pretty well organized by Wednesday night. It is understood that approximately 90 per cent of the crop in other counties of the bluegrass has already been pledged. It is stated that Clark county will have about 200,000 bushels; Montgomery 75,000; Woodford, 75,000; Bourbon 200,000 and Madison 50,000 bushels in the pool.

It is estimated that Fayette's crop of bluegrass seed this year will aggregate about 150,000 bushels and it is believed that practically all of it can be signed up for this week.

SOME THINGS TO DO IN LEARNING TO SWIM

(By Associated Press)

Louisville, Ky., June 14—Confidence and encouragement are the keys to successful swimming according to Charles L. Schontz, of the Louisville Y. M. C. A. Unless the beginner has confidence in his own ability he never will learn to swim successfully, in the opinion of Mr. Schontz.

There are hundreds of professional swimming teachers, according to Mr. Schontz, and every one of them will tell their pupils that their method is the best. The instructions which Mr. Schontz gives beginners have been obtained from conversations with instructors at Manhattan Beach, Brighton Beach, the New York Athletic Club and other organizations. He gives his system, not as the only one, but as one of the many systems which are successful.

The classes in swimming at the Y. M. C. A. here vary according to the type of pupils. Fat and elderly persons usually get better results from side and breast strokes; medium, slender or thin persons usually take readily to the crawl stroke, which undoubtedly is the easiest stroke when mastered, according to Schontz. He recommends that pupils confine their efforts to one stroke when beginning and acquire ability in one method.

The first lesson for men and boys is usually the same. Mr. Schontz has outlined his system as follows:

First Lesson

- 1—Pupil is told to get into the water and grasp overflow drain with both hands.
- 2—No wput your head under water. Do not try to hold it there.
- 3—Now hold your head under and count five.
- 4—Count fifteen next time.
- 5—Blow air out through nose under water.
- 6—Open eyes under water.
- 7—Stay under and count 25.

8—Take deep breath; go under and exhale under water; come up, take breath and go down again. This is done in rhythm.

9—Now walk across pool with face under water, lifting face, whichever side is more natural, and breathe in through mouth. Face downward and exhale through nose. (Must be learned perfectly; very important.)

10—Take deep breath, grasp knees and float doubled up. Hold as long as possible.

11—Dead Man's Float. Place back to wall, lift feet against it. Push off and extend arms and legs to flat position on top of water.

Dupring the first lesson never hurry or push pupils. If pupil is afraid of water be patient and help him to get over it gradually. From 20 to 30 minutes of steady work is plenty for first lesson.

Lesson Two (Crawl Stroke)

1—Review of first lesson for few minutes.

2—Next comes kick. Place one hand against side of pool, other grasping drain rail. Legs perfectly stiff—open and close moderately rapid. Use about a ten inch thrash.

3—Now do dead man's float. Arms perfectly still. Try to push self clear across tank.

Lesson Three

1—Review Lesson Two.

Demonstrate proper method of using arm. Do not bring elbows high out of water. Use shoulder in swimming.

Lesson Four

1—Go over exercises for kicking, breathing and arm stroke. Take up preceding lessons in order.

2—Slow stroke of arms and legs.

3—Take a breath when needed. Later on take one breath for every complete stroke.

Bob White Enemy of Corn Rootworm

The bob white eats the adults or beetles of the corn rootworm which lay the eggs that later become larvae or worms and infest the corn. As many as 12 of the beetles, according to the Bureau of Entomology of the United States Department of Agriculture, have been found in the stomach of one bob white. The red-headed woodpecker, night-hawk, cardinal, kingbird and phoebe, also

eat the beetles and reduce the damage done by the Southern corn rootworm.

Miss Gladys Dean

Sing Me to Sleep..... Fabian Rose

Miss Diana Woods

Miss Mary Arnold gave a full
and most attractive account of
the Junior Conference and other
features of the State Federation
of Music Clubs held at Lexington
recently. Nearly all the mem-
bers of this club, chaperoned by
Mrs. Mays and Mrs. Lewis Neale
attended the convention and the
grand opera given at the same
time. This club continues to
grow in interest, as well as num-
bers, and looks into the future
with much expectancy.

Mrs. W. P. Gilkerson, of Lex-
ington attended the Blanton-
Oldham wedding Monday after-
noon.

Messrs. H. C. James and T. H.
Collins left Wednesday for a
few days' stay at French Lick
Springs.

Mr. and Mrs. G. B. Turley and
daughter, Miss Amy, are guests
of Dr. D. B. Knox and Mrs.
Knox in Georgetown.

Mrs. Neal Bennett has arrived
in Middlesboro from Asheville,
for a few days' stay with her sis-
ter, Mrs. Helburn, and Major
Helburn and will be at home in a
few days, accompanied by her
son, Thompson Bennett.

Mrs. W. N. King has returned
from a short stay with her
daughter, Mrs. Clyde Barnett, in
Ravenna, and was accompanied
home by her little grandson, Har-
old King, Barnett, who will
spend the week in Richmond.

Friends here have received
news that Mrs. W. W. Watts,
Miss Emma and Miss Jennie
Parks had landed safely and had
a most delightful voyage.

KIDNEY AND BLADDER TROUBLES CONQUERED OR MONEY BACK

For 40 years, said Dr. Carey, I have
been prescribing my Prescription No.
777 for kidney and bladder sickness
and now that I have retired from ac-
tive practice I have made arrange-
ments with leading druggists to dis-
pense this wonderful prescription at a
moderate price, on the money back if
dissatisfied plan.

Beware of kidney disease—thous-
ands died of it every year who ought
to be enjoying the blessings of life and
health. Watch the symptoms. If you
have specks floating before your eyes,
puffy eyes, clammy feet or moist palms
backache or side ache, you ought to
get a bottle of Dr. Carey's Prescription
No. 777 right away.

It has wonderfully benefited tens of
thousands of cases of kidney and blad-
der troubles and is the medicine you
can always depend upon. Results are
guaranteed.

NOTE—Dr. Daniel G. Carey was a
practicing physician for many years
and his great Prescription No. 777 aided
thousands of sufferers from kidney and
bladder troubles. Hereafter you can
always get this effective Prescription
at all reliable pharmacists the country
over. Keep in mind the name—Dr.
Carey's Prescription No. 777 (liquid or
tablets). No other medicine can take
its place.

will leave Thursday morning to
attend the semi-centennial meet-
ing of Mr. Bennett's class at
Yale University. Miss Marie

Bennett, who has been attending
Vassar the past year, will ac-
company them. Mr. Bennett
was one of a class of 125 grad-
uates, more than 50 of whom
expect to be present on this oc-
casion.

Mrs. W. S. Grinstead and Mrs.
A. B. Singleton have returned to
their respective homes in Stan-
ford and Canton, Ohio, after a
pleasant stay with their sister,
Mrs. E. H. Bybee, on Woodland
avenue.

Superintendent John Howard
Payne will address the graduates
at Clark County High School
Thursday evening.

Mrs. Edward Bobbitt, of Cin-
cinnati, is spending the week
with her daughter, Miss Anna
Bell Ward.

The Stanford Journal says
Miss Ollie Tye-Williams is in
Louisville where she will spend
part of the vacation with her
sisters.

Mr. and Mrs. R. J. McKee,
Miss Lydia McKee and R. J. Jr.,
were in Lexington Wednesday to
attend commencement exercises at
the University of Kentucky.

Miss Serena Young is with her
parents in Lincoln county, hav-
ing finished the term at Normal.
Miss Dorothy Grinstead at-
tended the dance at the Country
Club in Lexington Saturday eve-
ning.

Mrs. F. A. Campbell entertained
with an informal dinner Tues-
day evening, honoring Mrs. Ar-
thur Rees, the house guest of
Mrs. S. N. Moberly.

Mr. D. W. Kennedy is in Lou-
isville attending the state meet-
ing of the Knights of Pythias.

Mrs. Louis P. Todd is in Leb-
anon the guest of her sister, Mrs.
R. Hogue Edelen and Mr. Edel-
en.

Col. B. E. Callahan, of Louis-
ville, has written his friend, J.
A. Sullivan, that he will arrive
in a few days for a visit to him.
Mr. Mapother and Judge Sam J.
Oldrick will accompany Colonel
Callahan.

Miss Nancy B. Myers has re-
turned from Mississippi where
she has been teaching and will
spend the vacation months with
her mother, Mrs. Annie Myers.

Mr. A. C. Watson, of Green-
wood, South Carolina, was given
a cordial welcome by Richmond
friends Tuesday.

Miss Anna Morgan Taylor and
Earl Moberly are in Winchester
the guests of Superintendent
Paris B. Akin and Mrs. Akin.

Mrs. T. H. Collins and Mrs.
Evan McCord spent Monday in
Lexington.

Mr. Albert Lacy Russel, hav-
ing finished his class duties at
Yale, is here for a few days' vis-
it to his aunt, Mrs. James W.
Caperton, at Amberly. Mr. Rus-
sel will motor to Washington, D.
C., from here where he will en-
ter a military camp for several
weeks' training this summer.

BEREA READY FOR

S. S. PROGRAM

Louisville, Ky., June 12—Real
Sunday School workers always
are feeling the need of knowing
how better to accomplish their
aims, according to officers of the
Kentucky Sunday School Asso-
ciation. Realizing this fact the as-
sociation has arranged for a
"Leadership Training School," to
be held at Berea, Ky., June 29 to
July 9.

Prof. M. A. Honline, associate
superintendent of the department
of education of the International
Sunday School Association, who
is well known in Kentucky where
he has been a visitor on a number
of occasions, will be one of the
leading teachers. Miss Mary E.
Abernethy, of Gary, Ind., where
3000 children receive instruction
in the Bible on week days, also
will be one of the teachers and
will outline plans whereby simi-
lar work might be done in the
cities and towns of Kentucky.

Others instructors will be: Rev.
and Mrs. N. K. McGowan of the
Christian Bible School Associa-
tion; the Rev. James F. Price, of
Marion, Ky., and the Rev. George
A. Joplin, Mrs. Joplin, and Miss

S. S. S. Fills Out
Hollow Cheeks,
Thin Limbs!

Men and women, whether you will
ever build yourself up to your normal,
just-right weight depends on the num-
ber of blood-cells in your blood. That's
all there is to it. It's a scientific fact.
If your blood-cell factory isn't work-
ing right, you will be run-down, thin,
your blood will be in disorder, and
perhaps your face will be broken out
with pimples, blackheads and eruptions.
S. S. S. keeps your blood-cell
factory working full time. It helps
build new blood-cells. That's why
S. S. S. builds up thin, run-down peo-
ple. It puts firm flesh on your bones. It
rounds out your face, arms, neck,
limbs, the whole body. It puts the
"pink" in your cheeks. It takes the
hollowness from the eyes, and it fools
Father Time by smoothing out wrinkles
in men and women by "plumping"
them up. S. S. S. is a remarkable
blood-purifier. While you are getting
plump, your skin eruptions, pimples,
blackheads, acne, rheumatism, rash,
tetter, blotches are being removed.
The medicinal ingredients of S. S. S.
are guaranteed purely vegetable.
S. S. S. is sold at all drug stores, in two
sizes. The larger size is the more

BEFORE BABY COMES

Watchful Care of Health Necessary

Lydia E. Pinkham's Vegetable Compound a
Marvelous Help

West Orange, N. J. — "I was very
nervous and upset for six months
before my baby was born. One of my
friends told me to take Lydia E. Pink-
ham's Vegetable Compound and I
have taken it for five months now. I
have a big boy who weighed almost
nine pounds at birth and I do all my
housework and don't feel a bit ner-
vous or upset any more. I still take
your medicine and have told all my
friends what good it has done me."
Mrs. MARGARET GREGORY, 440 Valley
Road, West Orange, N. J.

West New York, N. J. — "The first
two months I carried my baby I was
in bed almost every day with sick
headaches. I tried Lydia E. Pink-
ham's Vegetable Compound and the
first bottle helped me. I took seven
more and I know I couldn't feel bet-
ter than I did. The headaches stopped
and I was able to do my own work. I
have a baby girl six months old who
weighs twenty pounds and is the pic-
ture of health." — Mrs. J. McCoy, 207
20th St., West New York, N. J.

Nervous and Run-Down

Biloxi, Miss. — "Just a word of
praise of Lydia E. Pinkham's Vege-
table Compound. I took it with won-
derful results before my baby was
born. I was so nervous and run-down
that I was a wreck of misery. I had
pains in my sides and back so bad
that I could not stay still or sleep
nights. My husband was reading your
'ad.' in the paper and I decided to try

your Vegetable Compound. After I
had taken half a bottle I felt a change
and was soon as well as ever. I took
it the whole time and recommend it
to every woman who is suffering as I
was. People said that because I was
so young I would never pull through
and I praise your Vegetable Com-
pound for my good health." — Mrs.
EMMA J. STEVENS, 889 Fayard St.,
Biloxi, Miss.

Chicago, Ill. — "I recommend Lydia
E. Pinkham's Vegetable Compound
for all prospective mothers. I suf-
fered from weakness and faint spells
and had to lie down twice a day for
an hour or so before I could go on
with my work. My cousin, who lives
in Wisconsin, has used your Vegeta-
ble Compound for over five years and
she came to us for a visit and she
recommended it to me, saying she
would pay for the bottle if it did not
help me. I took that bottle and got
more, as I found it gave me great re-
lief. I recommend it to my friends
and sisters and am willing for you to
use these facts to help others." —
Mrs. I. J. KUBINSKI, 1813 W. 17th
St., Chicago, Illinois.

Lydia E. Pinkham's Vegetable
Compound should be taken by ex-
pectant mothers. It will assist them
in keeping well and strong. This is
necessary not only for their own
comfort but for the future as well.

It helped these women. It has
helped many others.

IMPORTANT CALL TO DISABLED VETERANS

If the veterans of Madison
county wish to join in the great
convention of their comrades,
now is the time to heed the call.
Jump to the trains with your
uniforms as you did when the
call came from Over There. Let
America know that her soldiers
still live and will continue to
fight onward and upward.

San Francisco is the home of
the convention this year.
California's golden sunshine
will greet in all her glory the
thousands of wounded and dis-
abled American heroes of the
world war, who will go to San
Francisco for the second annual
national convention of the Dis-
abled American Veterans of the
World War. 130 big conven-
tions are being held in that city
during 1922, but the Disabled
Veterans' is the greatest of all.
Join that pal of yours, the one
you stood beside Over There, and
saw him fight and fall for the
cause of our own Stars and
Stripes. You are wanted to aid
the cause for which you fought.
American ideals and human
rights.

The program is the most elab-
orate that could be prepared by
the people of San Francisco. It
is wonderful. Every minute you
are there you will be entertain-
ed at the highest degree. A trip
through old Chinatown is plan-
ned with a dance in Chinatown.
A trip thru the Golden Gate and
a dance on the boat while going
out and coming in is planned, and
a band of 200 pieces will escort
the ship. There are a thousand
and one different entertainments
for the soldiers.

The Pullman Company has
granted a special rate as well as
the railroad companies to the
veterans, the rate being the low-
est ever given to any tourists.
The rates are as follows: Pull-
man ticket to San Francisco
round trip from Chicago, \$25; a
round trip train fare from Lex-
ington will be \$110. There will
never be another rate like this
and you are permitted to see the
Golden West at almost incon-
ceivable rates. The trains will
visit every important point in
the west, such as Yellowstone
National Park, Grand Canyon,
Pike's Peak and a number of
other wonders of the west. You
ought not miss this one opportu-
nity of your life.

The Veterans' Bureau has
granted leave of absence with
full pay to those who wish to
attend the convention. Rich-
mond is represented by Green
Hogg, of the Eastern Kentucky
State Normal School. The chap-
ter is young yet, but we hope to
have a voice in the activities of
the convention.
Any disabled veteran who has
been awarded disability can go
to the convention on the above
rates. If anyone wishes to at-
tend he can get proper creden-
tials and ticket certificates from
the Adjutant of Richmond chap-
ter, Green Hogg. If any of the
veterans of Madison county wish
to take advantage of the chance
to make this trip, then see the
commander of chapter No. 8,
Richmond, or the adjutant. Com-
rades, you can't afford to miss
the meeting of the Living Hall
of Fame and the chance to see
the west. Let's have a reunion
in the great city of the golden
west.—Contributed.

EX-SERVICE MAN REGAINS HEALTH LOST IN FRANCE

**Declares Tanlac Built Him Back
To Finest Condition After He
Had Given Up Hope of Recov-
ering From Troubles That Be-
gan In Trenches.**

"It was just three weeks after
I started taking Tanlac that my
troubles ended," said F. L. Cum-
bie, 11 Brook street, Lynchburg,
Va., carpenter and former service
man.

"My health began to fail in
France and even after my dis-
charge I continued to get worse.
My whole system seemed affect-
ed, especially my stomach and
nerves. I had awful indigestion
and it looked like ever bite I ate
caused gas on my stomach and
terrible pains in my chest and
around my heart. I was so ner-
vous I shook all over and slept
so poorly that I could hardly mus-
ter strength to get out of bed. I
wasn't able to work regularly and
was about ready to give up.

"I never saw the like of the way
Tanalac put me back in fine shape.
I eat three big meals a day now,
work every day and call myself
as good a man as I ever was. I
can heartily recommend Tanlac
to anybody."

Tanalac is sold by all good drug-
gists. 1t

1,300,000 POUNDS ADDED TO POOL

Lexington, Ky., June 13—Five
hundred and thirty-eight addi-
tional contract, representing
about 1,300,000 pounds of tobac-
co, were signed by growers of
burley and reported to the of-
fices of the Field Service Divi-
sion of the Burley Tobacco Grow-
ers' Co-operative Association in
the past week. Assistant Chief
William Collins, of the Field Ser-
vice, reported Saturday on his
return from Taylor, Adair and
Green counties, where he went
last Monday to organize those
counties for a systematic drive
for members.

One hundred contracts were
signed in three counties when
Mr. Collins started for home
Friday afternoon and the work
is being pushed by the county
chairmen and their organizations.
As a considerable amount of bur-
ley is grown in the three coun-
ties, the signing up of growers
there is regarded as very im-
portant by the association officials.

Because of the disastrous price
experience of growers in that
section in 1920 very little tobac-
co was raised in either of the
three counties last year, but con-
siderable acreage has been plant-
ed for 1922, since the organiza-
tion of the Burley Association,
and much of this is expected to
be signed up to the co-operative
marketing plan.

Another big meeting is to be
held at Greensburg, Green coun-
ty, Monday afternoon, which is
county court day there. Busi-
ness men have decided to get be-
hind the sign up and it is expect-
ed that a considerable majority
of the growers will be signed.
At a meeting in Summerville, in
that county, Tuesday night, of
the sixty present, nineteen had
already signed the contract and
twenty-nine signed after the
speaking.

Fayette county had a popula-
tion of 54,644 in 1920 as compar-
ed with 47,715 in 1910. The coun-
ty contains 173,693 acres of land.
Lexington, the county seat, has
a population of 41,634.

Motor trucks listed for taxa-
tion in Kentucky in 1921 were
valued at \$3,938,120.

MAT COHEN BACK FROM CALIFORNIA ON VISIT

His many friends here in his
former home are interested in
the visit of Mat Cohen back to
Kentucky, and what the Lexing-
ton Leader says of him which is
as follows:

Mat S. Cohen, former Com-
missioner of Agriculture for the
State of Kentucky and former
Lexingtonian, now manager of
the thoroughbreds which are the
property of the Lucky Baldwin
estate in California, was in the
city for the week end. Mr. Co-
hen, who left Kentucky over a
year ago for the West for his
health, looks to be the same vig-
orous Mat who rode the many
blue ribbon winners at Kentucky
fairs and elsewhere. Two of the
horses belonging to the estate
are in training at Latonia and to
see them brought Mr. Cohen
back to his native state. Cruzon
and Lantados, which enjoyed
success over the Tia Juana, Mex-
ico, course, last winter, were sent
east this spring in hopes of cap-
turing some of the premier
events, but as yet have not met
with great success. It was the
first appearance of the Baldwin
colors in Kentucky in forty-five
years when Mollie McCarty car-
ried them in a match race with
Ten Broeck. Mr. Cohen stated
that the colors had been buried
with Ray El Sentain, the famous
sire.

"Nothing has done more for
California to revive the spirit of
racing in that state than the vic-
tory of Morvich in the Kentucky
Derby," stated Mr. Cohen. When
asked what plans were in regard
to opening a track at Tanforan,

near San Francisco, Mr. Cohen
said that the course had been
completed and that racing would
in all probability be in full swing
the coming winter. He said that
the owners of the track were not
going to allow betting and that
they are anxious to see if racing
could not thrive without gam-
bling, the same as athletics. "At
any rate," said Mr. Cohen, "they
are going to make a stab at it,
and the coming meeting should
tell the results."

Kentucky became a state in
1792, eight Virginia counties be-
ing severed from the mother
state to form the new common-
wealth.

Morgan county will be 100
years old this year, having been
created in 1822.

When you look at a
30 x 3 1/2 USCO
at \$ 10.90

OUR tire dealer
is naturally
enthusiastic
when he shows
you the 30x3 1/2
USCO at \$10.90.

To him USCO has al-
ways represented a tire
value that he felt more
than justified in offering
his customers.

At the \$10.90 price he
can hardly be blamed for
putting it to the front as
the value he would most
like to be remembered by.

This much to keep in
mind—
